

Dear student,

from 1st September and until 31st December, to access the university structures and building is required the EU COVID GREEN PASS, that proofs that a person has either been vaccinated against COVID-19, received a negative test result or recovered from COVID-19. The certifications issued by the Canadian health authorities, Japan, Israel, the United Kingdom of Great Britain and Northern Ireland (including Gibraltar, Isle of Man, Channel Islands and bases on the island of Cyprus and excluding non-territories belonging to the European continent) and the United States of America are recognized as equivalent.

The check of the Green Pass for students will be done on a random basis

From 1st September until 3rd September from 9.00 to 18.00, unvaccinated international students, already arrived in Naples at the moment and who have received the codice fiscale, can go to the OPEN DAYS (without age limits and without reservation) at the vaccination HUBs of the Maritime Station (city center), the Mostra d'Oltremare (only 1 and 2 September) (Fuorigrotta) and the Fagianeria of the Royal Park of Capodimonte .

For students in possession of unrecognized vaccinations, it will be assessed on a case-by-case basis pending further provisions from the government authorities.

The check of the Green Pass for students will be done on a random basis.

International and Exchange students who need to undergo a molecular swab can contact Ms. Marina Alfano (marina.alfano@unina.it) who will arrange an appointment at CEINGE (Center for Research and Molecular Diagnostics).

Further updates will follow.
